WASH BALL GOSSIP

Local Blass Stall Mairers are Seginning to Put on Some Color. They are beauties. Light gray pants, shirts, with maroon bell and stockings and a grey cap make a hobby appear

ceived from him on Monday that he had accepted the terms of the Base Ball Association, and will leave fows for Catasangus in a few days. Cutter is the pitcher we spoke of hast week. He will put confidence in the team, and a good string of victories can be looked for this season. Great credit is and build new feaces along their valuate the schedule committee for securable property on Alum and First ing him. He says he is in much better streets. form than last year and weighs con-

Sam Coveright Has the Other. David Hiskey, of the Engle Hotel, Bethlehem, is the proud persessar of the most unique diamond pin in Beth lebem. To the uninitiated it is a bla set in a gold star, backs I by a larger set with a small diamo d. The stars which is a little box, a milar to the common eight lighter. When not in mution the stars revolve in opposite directions, creating most brilliant scinilliations of color. The stars revolve four hours from one winding. Mr. Hiskey wears the pin in his gorgeonneeltie when he goes out on a Sunday. He nonchalantly reads the papers and enjoys the sensation while everybody gapes in wonder at his marvellous dis-There are only two in the country. Number two belongs to "Happy n Cortright," of Mauch Chunk.-

Bethlehem Times

Died at the Pear House.

Amos Waterbor, who has been an iterate of the Lehigh county poor house for a number of years, suffering with cancer, died there on Tuesday. He came from Lehighton and was aged S.

**Sixty Hungarians left the upper and S. Sixty A Bullroad Order.

The following order has been issued: "All coal, freight and stock trains."

The Strike Story a Pake.

the following: "There is no trouble the following: "There is no trouble existing between the employes in the train service on the Reading Railroad system and the officials of the road. The best of feeling exists. We have every reason to believe that no orders have been issued to leave the different labor organizations. No strike has been talked of or contemplated. No possible discharge of men has taken place, as discharge of men has takon place, as reported. On the other hand, we believe the service will be increased in the near future. We do not oppose the Reading combine in any form and are not autagonistic toward them. (Signed) P. F. Deels, C. F. Die 187, B. of J. P. of J. R. of J. B. of J. R. of J. of J. R. of J. of J. The Puppers to Head. The city paper is all right and everybody that can afford it should have one in his house. But the man who oun take but one paper and gives the city paper the preference over his home papers, is unwittingly doing himself, his family and his town and injustice. It is the local paper that advertises your business, your saloods, your churches, with you In your affliction and rejoices in your prosperity. In short it is your local paper that mentions the thousand and one flows in which you are interested during the year and which you

which during the year and which you do not find in the orig papers.

His Weach Oserentimeted.

When the great end operator, Ario Pardee, died, and, in fact, for many years previous to his death, he was sounded among the very wallby mon of the country. From twenty to thirty of the country. From twenty to thirty millions was the figure at which he was estimated. It now turns out that onetenth that sum will cover all his estate. benth that sum will cover all hissestate. In toot, some estimates, phose it as her as one milition. This is but another in stance of the silly easy creation to which our people are led in their estimates of the factories of our uniformies. If the fruth was known, these fourths of the rest of those whom common remor has assigned from the sealth a peak pure out just as Mr. Pard of a state is likely to do.

Goes right to the spot
